

Registering on the New Uniphar platform

To continue ordering online we require customer to authenticate their account for security purposes.

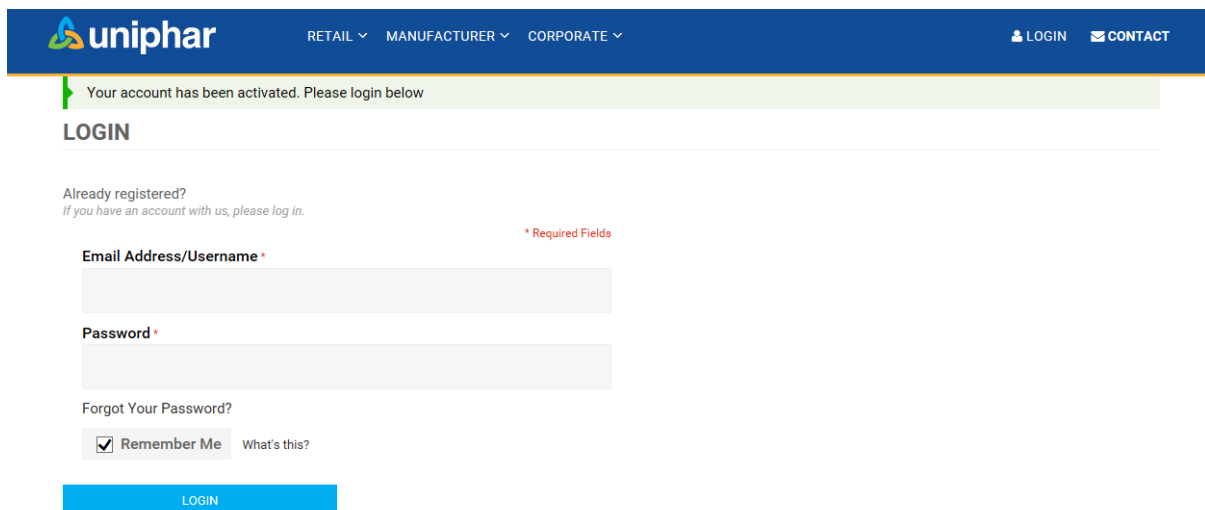

Note:

1. The new eCommerce platform registration works using email address to authenticate your account. Each customer will need a unique Email address to authenticate their account.
2. To add additional users post registration the customer will need additional email for each user.

3 Step Registration Process

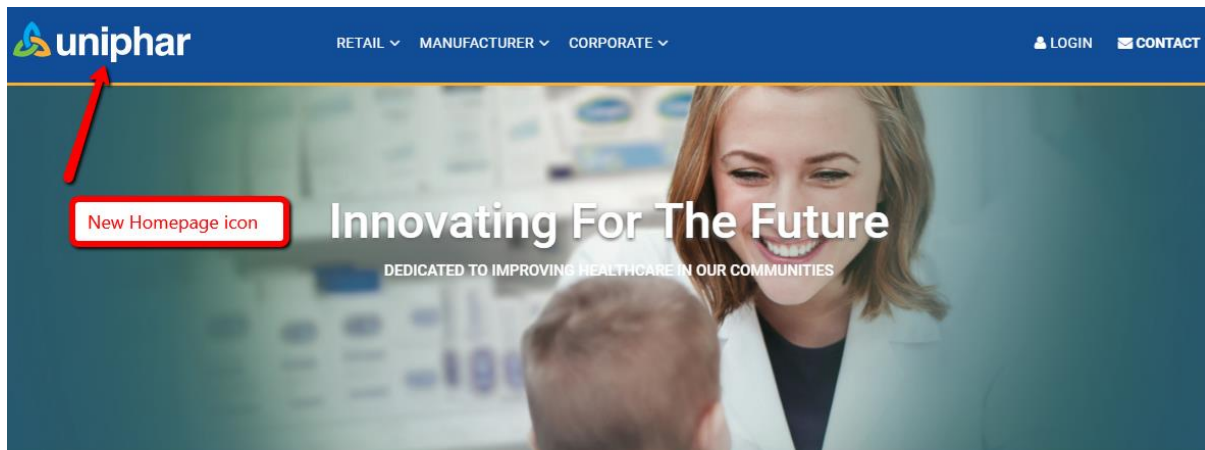

To register go to <https://www.uniphar.ie/>

1. Click on the login drop down menu and enter current username or email and current password and click on the login button.
2. Fill in your account information, opt in for marketing, Select Pharmacy role, accept terms and conditions and accept.
3. You will now receive an email link to authenticate your account. Go to your email address and click on the link. Re-enter your login details and now your account is active.

The screenshot shows the Uniphar website's login page. At the top, there is a blue navigation bar with the Uniphar logo on the left and 'RETAIL', 'MANUFACTURER', and 'CORPORATE' dropdown menus in the center. On the right side of the bar are 'LOGIN' and 'CONTACT' links. Below the navigation bar, a green message bar states 'Your account has been activated. Please login below'. The main content area is titled 'LOGIN' and contains the following elements: a link for 'Already registered? If you have an account with us, please log in.'; a red asterisk indicating '* Required Fields'; two input fields for 'Email Address/Username' and 'Password'; a 'Forgot Your Password?' link; a 'Remember Me' checkbox which is checked, with a 'What's this?' link next to it; and a blue 'LOGIN' button at the bottom.
